## Beir Chapel

Theater Style

420 pp

This theater and bimah stage are located on the lower level of the Community House. Stained-glass panels adorn the walls of this space, which is best used for services, lectures, or concerts. Its red velvet seats remain in theater-style formation. This underground level has no natural light. A full floor of restrooms is located one level above Beir Chapel, accessible by elevator or stairs. This space includes a full audio-visual system.
